

Phase 1 On-Site Progress

- Sherwood Close and Holbeck Road have been tarmacked
- Landscaping work is taking place on gardens and streets
- Please contact Ricky if you have any questions about the works taking place.

- Construction work is now up and running again following the closure over the festive period
- We would like to apologise for the delay to the end of the first phase of construction
- All homes are now complete inside and we hope to move tenants into their new homes very shortly
- The balconies have been fitted and work is taking place to make sure they are waterproof

Moving into the first new homes

- If you are moving to one of the newly built homes Clarion Housing will be in touch shortly to formally offer you a property, explaining your options for viewing and accepting the new home
- You will need to contact the removal company, P. Goddard and Sons, to help you move your belongings into your new home.

P. Goddard and Sons LTD
020 8560 7127

- You'll need to contact P. Goddard and Sons and arrange a visit to your current home so they can:
 - Assess what needs to be taken
 - See how many boxes and packing material you'll need
 - Look at any material that may need to be assembled
- You do not have to pay for this service

New office

- We're in the process of getting the office at 1 Target House ready. Once open Clarion Housing staff will be on hand to answer your queries about moving and your new tenancy
